TMG signs two-year extension with Cosmik *Continued association in Russia establishes TMG's international presence*

Agoura Hills, CA, May 13, 2008—Trifecta Management Group® (TMG) has signed a two year extension with Cosmik Bowling, the preeminent operator of entertainment centers featuring restaurants, bowling, billiards and arcade gaming centers in Russia. During its initial project with Cosmik, TMG created the family entertainment zone including arcade games and soft play attractions and developed related operating processes and systems which are being integrated into new Cosmik centers. The TMG concept provides a unique, world class entertainment experience which has allowed the Cosmik centers to broaden their appeal to families. The first enhanced venue was opened in Cosmik's center in the Ramstor Capitoly Shopping Center in Moscow, Russia in Spring 2007, followed most recently by their newest flagship location in the award-winning shopping development MEGA Belaya Dacha.

TMG will continue to assist in the roll-out and development of the Cosmik locations over the next couple of years. In making this announcement, Bruce Nussbaum, a managing partner with Trifecta, said, "We are thrilled to continue to work with Cosmik. Cosmik and Trifecta share common philosophies and goals: to create compelling and unparalleled entertainment experiences. Our collaboration with Cosmik exemplifies TMG's international capabilities and worldwide reach."

Vladimir Annenkov, President of Cosmik added, "We appreciate Trifecta's expertise and knowledge in helping us develop and roll out these family centers. We look forward to our continued relationship as we grow the entertainment offerings of our business."

Cosmik founded its first Center in 1998. Today, there are 12 Cosmik centers throughout Russia, in the cities of Moscow, St. Petersburg, Ufa, Kostroma and Krasnodar cities. The centers offer their guests a wide range of entertainment, including bowling, billiards, restaurants, pubs, sports bars, large kids entertainment zones which include the latest in interactive video games, redemption, soft play areas and family cafes. The centers average close to 50,000 sq. ft, with the aggregate number of guests visiting the centers

exceeding 8 million annually. Cosmik has plans to build 15 more centers over the next three years.

More information on Cosmik can be found on its website, www.cosmik.ru.

Trifecta Management Group® (TMG) was founded by the former executive management team that comprised the strategic, operational and development nucleus at *GameWorks*, the acclaimed restaurant and interactive entertainment concept. TMG is built around two simple, yet focused, ideas: (1) to create, deliver and manage compelling, customized restaurant and entertainment concepts tailored to the specific needs of the marketplace and (2) to maximize profitability for shareholders of retail concerns focusing on product enhancement, sales, management and operating efficiencies.

Trifecta currently operates nine entertainment and restaurant venues in Ohio, California, Florida and Minnesota. The current concepts created by Trifecta include the award-winning *The Corner Alley*®, *4th Street Bar and Grill* and *Zocalo Mexican Grill and Tequileria*. Trifecta also has performed numerous consulting projects throughout the United States and internationally, including its alliance with Cosmik in Russia.

The TMG management team has broad and deep experience operating restaurants and entertainment businesses domestically and internationally, with expertise in strategic planning, concept development, project management, training and ongoing operations for all types of restaurants and entertainment destinations. TMG also offers a full array of consulting services to the restaurant, retail and entertainment industries, including Trifecta Learning Solutions™, a training/development system which uses the latest video technologies, promising to make training more efficient.
