Revolutions at Saucon Valley Gives Lehigh Valley a Unique and Upscale New Entertainment Destination

Opening Jan. 14, 2013, the 40,000 square-foot facility features a contemporary restaurant, two bars, sports amphitheatre, 20 bowling lanes, live music and DJs, billiards, an arcade and more

LOWER SAUCON TOWNSHIP, Pa. (Friday, January 11, 2013) – *Revolutions*, 3717 Route 378, Lower Saucon Township, is a new entertainment destination coming to Lehigh Valley that offers patrons upscale casual dining, 20 rock 'n' roll bowling lanes, two bars, a sports amphitheatre, live music and DJs, billiards, an arcade and more. The 40,000 square-foot facility, perfect for families, sports enthusiasts, parties and nighttime club-goers, opens its doors on Monday, January 14, 2013.

The good times get even better during the Grand Opening Weekend celebration, which kicks off at 7 p.m. on Thursday, January 24 and continues through the weekend. Live entertainment that weekend includes singer/songwriter Chris "Breeze" Barcynski and DJ Cap Cee.

"The over-arching theme for *Revolutions* is sophisticated entertainment," said Bruce Frank, president of *Revolutions*' parent company, Frank Entertainment. "At *Revolutions*, you won't find a sports bar, you'll find a sports amphitheatre appropriately named *The Stadium*. The bowling lanes are set in a social lounge-type atmosphere. The food is a modern twist on Americana cuisine. Our mission is to keep our patrons extraordinarily comfortable and entertained. And the sheer size of this complex allows almost any group or corporate event to have a great time."

The 20 rock 'n' roll boutique bowling lanes are the biggest and most obvious entertainment attraction at *Revolutions*. With plush couches, energetic music and multiple video screens, they create an unparalleled social environment.

With the ability to host close to 1,400 guests, Revolutions is the perfect venue for corporate events, meetings, team building, social gatherings, birthday parties and fundraisers.

Located within the entertainment complex is the *Red Brick Grille*, providing a modern, upscale take on classic American dining. Offering a creative assortment of appetizers, barbeque, gourmet pizzas, pasta, burgers, handcrafted sandwiches, fresh salads and more, *Red Brick Grille* serves as a destination of its own for lunch, dinner and anyone seeking a late-night bite.

Exquisite food and boutique bowling are just the beginning of *Revolutions*' entertainment options. Two bars, featuring signature drinks, specialty martinis and microbrews, surround *The Stadium*, giving patrons the ultimate destination to root for their favorite sports team. A larger-than-life projection screen is complemented by dozens of HD televisions in a relaxed, VIP club lounge setting.

Gamers of all kinds also have a place at *Revolutions*. A full-redemption arcade features over 45 video and prize games. The facility also has regulation billiards tables.

Beginning on January 14, 2013, *Revolutions* and *Red Brick Grille* will be open to the general public from 11 a.m. to midnight on Sunday through Thursday, and 11 a.m. to 2 a.m. on Friday and Saturday.

Look for an upcoming events schedule at *Revolutions* jam-packed with live entertainment, themed events, promotions and more.
