Rooftop at Mestizo Now Open

Live Entertainment and a Great Place for Private Parties

LEAWOOD, KS. – ***Mestizo*** is excited to announce the addition to its Park Place venue, ***Rooftop at Mestizo***, which is now officially open with live entertainment, accompanied with its own special ***Rooftop*** menu, three nights per week. The ***Rooftop*** provides guests music and entertainment Thursday through Saturday evenings, a full-service bar, and a casual dining environment, overlooking the Park Place ice terrace and serving the full ***Mestizo*** menu. Live entertainment on the ***Rooftop at Mestizo*** will be offered weekly with acoustic performers on Thursdays, a DJ on Fridays and a live band each Saturday evening. In addition, every Thursday, the ***Rooftop*** will offer extended happy hour from 7 p.m. until close.

The ***Rooftop*** is also available for corporate events, social gatherings and parties for up to 150 guests.

Mestizo General Manager Mike Valent is excited to bring this new dining option to guests. "We have a loyal following of patrons who regularly enjoy our main dining room and menu. The new ***Rooftop at Mestizo*** expands our current offering to others who might want a more casual atmosphere, a variety of small plate food items, and a place to enjoy live music on a regular basis."

The spacious climate-controlled ***Rooftop*** is a short elevator ride from the main restaurant below, started by celebrity chef Aarón Sánchez two years ago. The blue tiled full bar is a highlight of the space, as well as two stone firepits that are in use when the retractable roof is open. The garage style roof can be closed and the area heated during cold weather or air conditioned in summer. A mix of high-top, booth and table seating is available. Several large screen televisions are also available so guests can keep tabs on sports games.

Menu items will be similar to the main restaurant but tailored for special events and late night dining. Items will include: Adobo Chicken Flautas, Chorizo Empanadas, Pambazo and Carne Asada Sliders, an assortment of tacos and selections off the main menu from the restaurant below. A variety of drink specials will be offered on the rooftop.

Entertainment director Chris Janko actively books a variety of artists to satisfy a multitude of musical tastes for guests. "We post our entertainment schedule monthly and also regularly update our Facebook posts so that people can see who is performing. We present everything from Latin acoustic guitarists to rock bands to country."

The ***Rooftop at Mestizo*** is also available for private booking by groups of 15-150. Menus can be customized for events or guests can choose from a pre-selected menu of items chosen by Chef Sanchez for parties, some of which are not on the normal menu.
