

## Kokomo's Family Fun Center celebrates 25<sup>th</sup> Anniversary

*Saginaw staple has fresh look, new management, same fun*

**SAGINAW, Mich. (June 28, 2022)** – Twenty-five years in the making, family favorite Kokomo's is the local place you'll definitely want to revisit this summer.

Saginaw's favorite Family Fun Center has freshened up for its silver anniversary and is debuting a new look, new management and all the classic fun it has been known for since 1997. This summer, the venue is also offering special anniversary promotions and deals for families and the community so they can come experience its upgrades.

Kokomo's was recently purchased by Memorable Experiences Group (MEG). MEG, which owns and operates leading family entertainment centers across the United States, has revamped and upgraded the center.

"We are so excited to bring more life back to this amazing fixture of the community during its 25<sup>th</sup> year," said Cory Sandrock, CEO of MEG. "Kokomo's provides a variety of family fun offerings, and we look forward to continuing to be the go-to place in Saginaw for everyone from families and birthday parties to corporate events and company outings."

While visible improvements dot the property and the main building received interior refurbishments, Kokomo's beloved attractions remain ready for fun, including:

- Go-karts

- 18-hole mini golf
- Arcade area with over 45 games and prize store
- Laser tag arena
- Bumper boats

When guests have worked up an appetite, the Koko Kafe offers an improved menu featuring new beer and wine offerings, along with enhanced food recipes and draft beer as well.

The expanded team of employees at Kokomo's is ready to help guests celebrate too, so daily prize giveaways will be spun from the prize wheel for lucky guests to enjoy.

Daily summer-long celebration specials include a family fun pack for \$99 which includes five attraction passes, \$62.50 worth of arcade credits, two 12-inch single topping pizzas and two pitchers of soda. Also, to celebrate 25 years throughout the summer, visitors can purchase a \$6 light-up commemorative anniversary cup with 25-cent soda refills all season long.
